

2016-2017 Registration for

Children's House Preschool follows the Boulder Valley School District calendar for the school year and all major breaks and holidays.

Our Vision: Children's House Preschool believes all children — of every race, ability, native language, culture and socio-economic status — have the right to flourish in an inclusive preschool program.

We serve children between the ages of 2 1/2 to 5 in a multi-age classroom. Toilet training is not a requirement for access to the program. Scholarships are available for qualifying families; use a scholarship application instead of this form.
