Permission to Include Student in Media Coverage

There may be times during the school year when different media groups will cover activities at Children's House Preschool with articles, video or still photography that may be published locally or nationally. In addition, CHP may want to include school-oriented articles, video or photography in our own publications and/or on our web site and Facebook Page. Children's names will never be directly linked to any photo, and last names will never be used in any article.

I give my permission for my student to be included in media coverage, including articles, videos and photographs.
