

The People In The Neighborhood

Who are the people in your neighborhood

In your neighborhood

In your neighborhood

Oh, who are the people in your neighborhood

They're the people that you meet

When your walking down the street

They're the people that you meet each day.

(x1)

Oh the _____ (post worker, figherfigher, bus driver, etc) is a person in the neighborhood

In the neighborhood

In the neighborhood

Oh the _____ is a person in the neighborhood

They're the people that you meet

When your walking down the street

They're the people you meet each day

(repeat as many times as you like)
