

2018-2019 Registration for

Children's House Preschool follows the Boulder Valley School District calendar for the school year and all major breaks and holidays.

Our Vision: Children's House Preschool believes all children — of every race, ability, native language, culture and socio-economic status — have the right to flourish in an inclusive preschool program.

We serve children between the ages of 2 1/2 to 5 in a multi-age classroom. Toilet training is not a requirement for access to the program. Scholarships are available for qualifying families; please ask for a scholarship application instead of this form.

Available Classes (please circle):

------------------	-----------------	----------------------------------

(Children must be old enough to no longer need naps: availability at Directors discretion)
To register please complete this form. **The registration fee of \$50.00 is non-refundable** and will hold your child's spot in the program until June 1st.

Tuition is divided into 9 equal installments. The first is a non-refundable deposit due June 1st which guarantees your placement, and counts as your final month's payment. The remaining payments are made the first of the month from September to April. Families starting later in the school year are required to pay the deposit upon acceptance to reserve their place, and will be charged monthly for attended months only. Full annual payments before September 1st receive a 2% discount.

Median Income: Families whose income is rated at 80-100% median income as defined by Boulder County HUD, are eligible for a 5% discount on tuition. Please contact the office for more information, as there are a limited number of these spots.

Drop-in Fees: Enrolled children are able to extend hours and drop in for \$14 an hour, based on schedule availability.
